

DOLU

2026
CATALOGUE

Dolu was founded in 1975 and operates in toys & baby industry. Dolu, as a manufacturer, has products and services in global standards by reaching worldwide market network. Today, %65 of its total production being exported to 85 countries.

Our company holds its leading position in production of plastic toys and baby products under several product categories. Dolu's products are in compliance with related regulations and they are tested by independent laboratories such as SGS and Intertek. Materials used in production are safe for Children and Environment.

Our factory is audited by global customers' 3rd party auditors regularly and fully complies with required ethical, technical and security standards.

Dolu's quality policy is assertive; its vision is contemporary and its mission is visionary.

We are committed to carry out non-stop development of our product and service quality together with new products, new ideas and larger capacity each year.
